Dear Patient:

We hope this letter finds you well and enjoying a pleasant fall.

As the end of the year is quickly approaching, we want to remind you to utilize any unused insurance benefits before they expire. Many of you also participate in Flexible Spending Accounts or Health Savings Plans with your employer. In most cases, any benefits left in these accounts do not roll over each calendar year.

Depending on your individual needs, careful calendar planning will allow you to maximize your time and unused benefits. Our team can assist you in preparing for your care by discussing your treatment needs and reserving convenient appointments. Additionally, we offer many payment options that fit into your budget.

Your health is important to us and we want to make sure you get the care you deserve. If you or a family member needs an appointment or has any questions, please call us today so we may discuss your needs. We look forward to seeing you at your next visit!

With best wishes for continued good health,

Drs. Webb and Jablonski
